UNDERSTANDING AUTONOMY:

- Autonomy is the prestigious status conferred by the UGC to reputable colleges with outstanding performance and a history of excellence. The Autonomy status grants institutions the authority to independently design and implement their academic programs and curriculum.
- At L.D. Arts College, we are proud to be recognized as an autonomous institution, conferred with the esteemed status by the UGC. This distinction signifies our commitment to academic excellence and innovation in education. As an autonomous college affiliated with Gujarat University, we hold the reins to design our own programs and curricula, ensuring that our students receive a dynamic and industry-relevant education.

WHAT AUTONOMY MEANS FOR THE STUDENTS:

01

Curricular Freedom: Autonomous colleges have the authority to craft their own programs and curriculum. This means that we can tailor our courses to meet the evolving needs of the industry, incorporate cutting-edge technology, and address societal demands.

02

Degree Affiliation: While we have the autonomy to design our curriculum, it's important to note that the college continues to be affiliated with Gujarat University, and the degree is conferred by Gujarat University, ensuring that our qualifications maintain their credibility and recognition.

03

Industry-Relevant Education: With the freedom to decide our curriculum, we prioritize staying abreast of industry trends, integrating state-of-the-art technology, and incorporating timely updates. This ensures that our courses remain relevant and aligned with the demands of the modern workforce.

04

Flexibility and Adaptability: As an Autonomous college, we have the flexibility to update our courses as needed, ensuring that our students are equipped with the most up-to-date knowledge and skills. This means that you won't be learning outdated concepts but rather staying ahead of the curve in your field of study.

BACHELOR OF SCIENCE (B.S. HONS) POLITICAL SCIENCE AND INTERNATIONAL RELATIONS

The Bachelor of Science (B.S.) – Political Science and International Relations programme at L.D. Arts College (Autonomous) is designed to provide students with a scientific, analytical, and interdisciplinary understanding of political systems, governance, public policy, and international relations in national and global contexts.

PROGRAM LEARNING OBJECTIVES

Cutting-Edge Curriculum: Dive deep into the core aspects of Political Science, equipped with the latest knowledge and skills demanded by the industry.

Choice-Based Credit System: Tailor your education to your interests with elective courses, ensuring a well-rounded learning experience.

Outcome-Based Education: Our focus goes beyond theoretical knowledge to practical application, ensuring you're prepared for real-world challenges.

Four-Year Programme: A comprehensive curriculum spread across 8 semesters, designed to provide you with a strong foundation in banking and financial services.

Practical Focus: From major courses to skill enhancement modules, our programme emphasizes practical learning through internships, projects, and interactive sessions.

PROGRAM LEARNING OUTCOMES

Generic and Domain Knowledge: Demonstrate conceptual clarity and applied understanding of political theories, governance structures, public policy processes, international relations, and comparative political systems.

Problem Solving and Innovation: Identify political, administrative, and international issues and propose innovative, evidence based, and context-specific solutions using appropriate qualitative and quantitative analytical tools.

Critical and Analytical Thinking: Critically analyse political and international phenomena through research-based inquiry, interpretation of empirical data, and systematic evaluation of policy outcomes.

Effective Communication: Communicate political and international issues, arguments, and research findings effectively in academic, professional, cross-cultural, and public contexts using conventional and digital platforms.

Leadership and Teamwork: Demonstrate leadership qualities and collaborative skills while working in academic, organisational, community, and institutional environments, guided by democratic decision making principles.

Civic Responsibility and Public Leadership: Engage responsibly in governance, public service, and community development processes, demonstrating informed citizenship and public leadership capabilities.

Environment and Sustainability: Analyse the political and international dimensions of environmental governance and demonstrate awareness of sustainability, climate politics, and global environmental policy frameworks.

Ethics, Indian Ethos, Values and Culture: Exhibit ethical reasoning, constitutional values, respect for diversity, and appreciation of Indian political traditions, ethos, and cultural heritage in personal and professional life.

Lifelong Learning: Recognise the necessity of continuous learning and demonstrate adaptability to changing political, administrative, legal, and international environments in a globalised world.
